

R'Courses

Your step-by-step guide to developing and leading your own course.

An idea is born!

Check the UCR catalog and make sure your idea isn't already offered through a class!

Spring 2017

Think about your course objectives

What do you want students to know at the end? Use this syllabus template and start with creating the key learning objectives.

Find a guide

Email or visit a faculty member to talk about your objectives / outline. Give them the faculty checklist and ask them to sign your proposal and mentor you for the next two quarters.

May 8

Submit your proposal

Turn in:

1. syllabus (using the template)
2. proposal form (including dept chair and faculty signatures and course load worksheet)

Register
